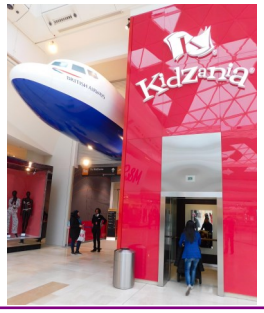
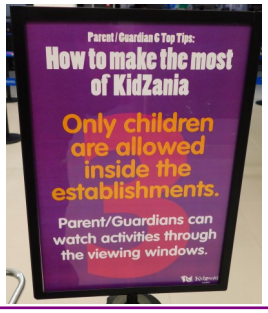
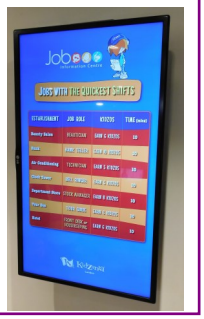
Class 4 Travelled to Kidzania.

Lina - *"My favourite part of Kidzania was being a pilot - it was a very nice simulation"*
Sulaiman - *"My best part of Kidzania was when I became a Policeman and went out on patrol to make sure no-one was running or fighting."*
Tanzeela - *"At Kidzania my most favourite job I did was at the Post Office because I got all the workers to sign a form!"*
Yaasir - *"Kidzania was an amazing experience and it was such fun. Plus it was a privilege to go with all my classmates."*







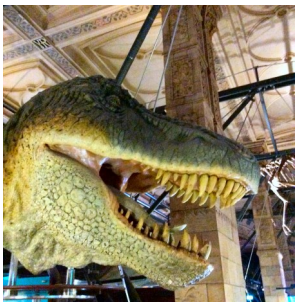
Mowlem Fundraising

Next week we will be holding a series of fundraising events here at Mowlem.
All money raised will be donated to the Richard House Hospice and for floods in Bangladesh.
On Tuesday 23rd and Wednesday 24th May we will be holding funfair style sports events.
It will be 20p a turn and we will have prizes for the winners in each class.
Tuesday will be Years 4, 5 and 6. Wednesday will be 1, 2 and 3.
On Friday 26th May, we will be holding a non-school uniform day, where children can come dressed in their aspirations or normal clothes.
We ask for a contribution of £1.
We will also be holding a cake sale at playtime on Friday.
All cakes are 20p each.
It's all for a worthy cause, so please give generously!

Richard House Children's Hospice

Reception Trip to the Natural History Museum.

Mariam said "We saw a real dinosaur and he went 'ROAR!'"
Nusaybah said "I saw a skeleton and dinosaur teeth and I wasn't scared!"
Ben said "I liked the t-rex because it really scared me!"
Mikie said "We saw games and cartoons with dinosaurs which told us all about them. I know how a t-rex roars!"



Google Expeditions at Mowlem.

We had our first taste of VR (Virtual Reality) in school recently with Google Expeditions.

Google Expeditions allows a teacher, acting as a guide,' to lead groups of 'explorers' through different 360° and 3D images while pointing out interesting sights along the way.

Both the children and teachers were enthusiastic and loved working with this new technology.

This is what some of the Class 4 children said about their expeditions!

"When I was wearing the Google Glasses I had so much fun! We all got to travel around the world without even having to move! It was like I was actually there myself experiencing it. I had a lot of fun discovering new places such as the Great Wall of China and volcanoes." Alisha.

"When Google came to our school I thought it was amazing because when we went to other countries it was just like real life. We also went into Space! We travelled to the Great Wall of China - It took over 2000 years to finish it!" Danyal.

"I had such a great time discovering new things that I knew nothing about. I didn't even have to actually travel around the World to make these discoveries - I didn't have to leave the room!" Humaira Class 4.

"The Google Expedition was really good. We got to wear cardboard 'Virtual Reality' goggles and travelled to Rome in Italy and went to the Great Wall of China. It was like we were actually at these places!" Taief.

Aleem's Mayor's Cup Triumph!

Q: How were you feeling? *"I was feeling confident, as we had won in previous tournaments. I didn't feel too nervous. Also my mum said I could have pizza if I won! So I had to win . . ."*

Q: How did the tournament go? *"It was fun. We played Newark in the semi finals, and it went to penalties. I went up first. I was starting to feel nervous by now. But thankfully it went in the back of the net and we won!"*

Q: So what happened in the final? *"Well I threw myself in front of a shot in the semi finals, and got I injured! So couldn't play in the final. But my teammates played really well and managed to win the trophy. It was a great feeling, not just for me but to win it with all of my friends."*

Thank you for taking the time to talk to us Aleem.

Many congratulations from all of us here at Mowlem!

Attendance for this Week.

Attendance for Monday 15th to Friday 19th May:

Nursery: 93.9%	Reception: 84.1%	Class 1: 96.1%	Class 2: 97.0%
Class 3: 92.4%	Class 4: 99.3%	Class 5: 99.0%	Class 6: 98.5%
