Bake sale for macmilan Cancer Reasearch

We would like to say a big thank you to all the parents who participated and attended this year's Macmillan Bake Off. We had lots of amazing cakes and are delighted by the children's creativity.
Our young bakers are Anita, Maria, Lamisha, Yusra, Yunus, Aisha, Miguel, Ambrose, Vazhin, Zahid, Amelia, Yaamin, Melisa and Shakar.

The winners of this year's bake off are:
1st place: Yusra and Melisa
2nd place: Miguel and Anita
3rd places: Zahid and Yunus
4th place: Ambrose and Vazhin

'School is fun, every minute matters and every day counts'

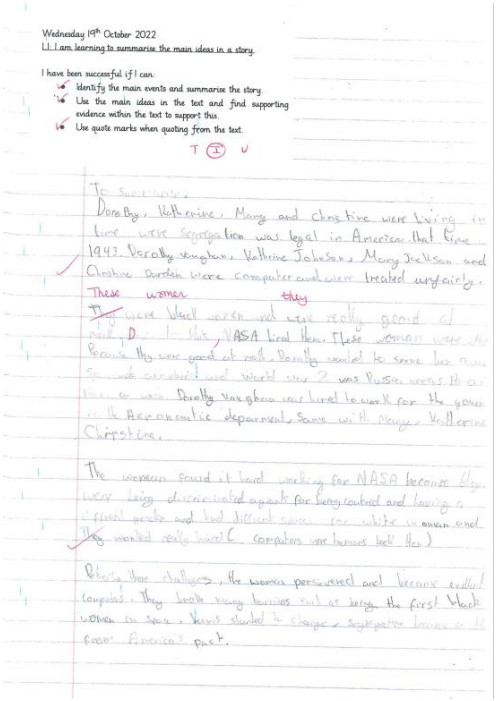
All of Year 6

This week year 6 have been on their Residential trip to Stubbers and are having a Wonderful time.

Kulsuma -Year5

For writing an excellent summary of our class text Widen figures.



Wednesday 19th October 2022

LI: I am learning to summarise the main ideas in a story.

I have been successful if I can:

- Identify the main events and summarise the story.
- Use the main ideas in the text and find supporting evidence within the text to support this.
- Use quote marks when quoting from the text.

T I U

To summarise:

Dorothy, Katherine, Mary and Christine were living in time where segregation was legal in America that is 1943. Dorothy Vaughan, Katherine Johnson, Mary Jackson and Christine Darden were computers and were treated unfairly.

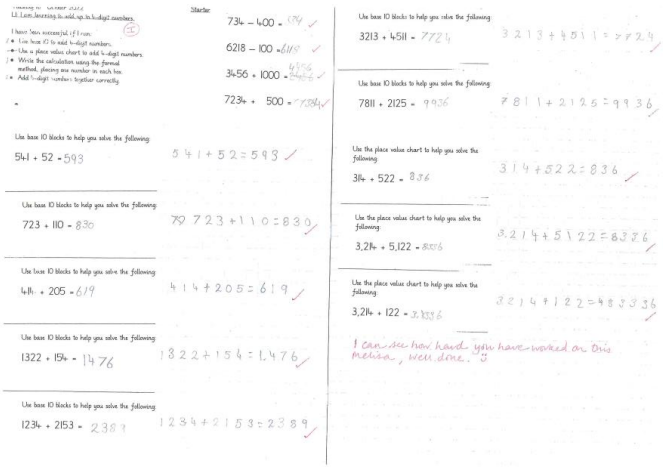
These women they were very well known and were really good at maths. In this NASA hired them. These women were the because they were good at math. Dorothy wanted to serve her country so she worked hard and worked very [illegible] was Russia versus [illegible] so was Dorothy Vaughan was hired to work for the space in the Aeronautic department. Same with Mary, Katherine Christine.

The women found it hard working for NASA because they were being discriminated against for being coloured and having a female gender and had difficult cases for white women and they worked really hard. (Computers were humans back then.)

Despite these challenges, the women persevered and became skilled computers. They broke many barriers and are being the first black women in space. Hand started to change, segregation became in the event America's part.

Melisa -Year4

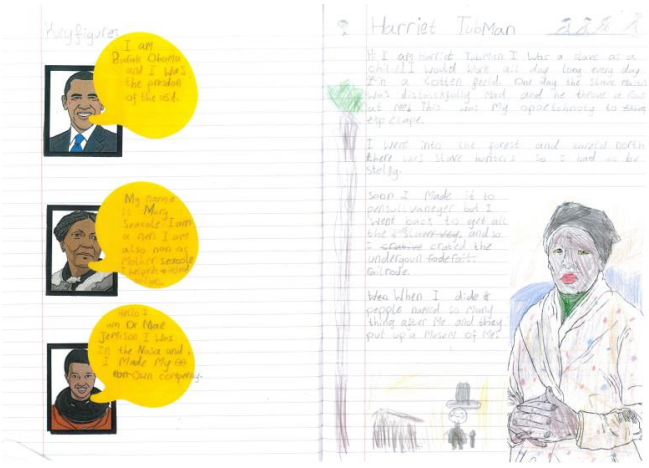
For solving addition calculations, she also worked methodically and presented her work well.



I can see how hard you have worked on this Melisa, well done.

Amelia-Year3

For writing an excellent account of Harriet Tubman's life from her point of view.



Harriet Tubman

Hi I am Harriet Tubman I was a slave as a child I would work all day long every day in a cotton field. One day the slave master was disrespectful and he talked a bad [illegible] This was my opportunity to slip away.

I went into the forest and walked north there was slave workers so I had to be stealthy.

Soon I made it to pennsylvania but I went back to get all the slaves and so I started the Underground Railroad.

When I died people started to make things after me and they put up a Museum of me.

Abdullah -Year2

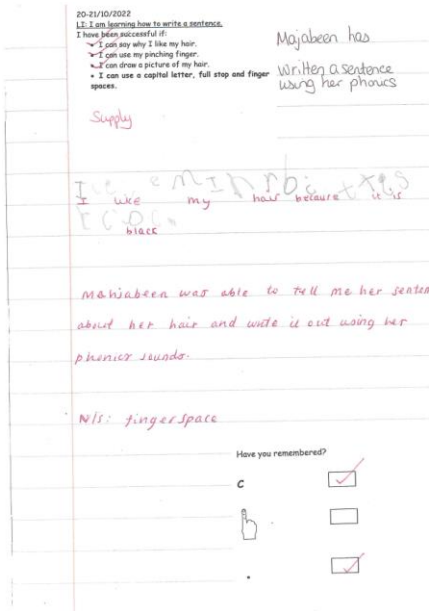
For independently completing all his work and explained beautifully what his special word God meant to him.

Abozar -Year1

For doing fantastic work in maths, using the numicon to support him. He was also able to find 4 fact families for the number 7.

Mahjabeen -Reception

For independently writing her sentence using her own phonic knowledge about why she likes her hair



Sareen-Nursery

For being able to draw her favorite fruit independently.
