Road Safety

Today, all children have been given a zip reflector for their coat and a character reflector for their bookbag/bag.
We encourage all children to wear these when out especially as the visibility is very difficult during the darker evenings.

Online Safety

Pupils at Mowlem are learning how to be safer and more confident online as part of Google and Parent Zone's Be Internet Legends programme.

All children will take part in a LIVE online assembly on Tuesday 28th November at 09.30am and we hope you're able to join us too!

To tune in from home, you will need to access YouTube via the link: https://youtube.com/live/1TZmvbIu8pg?feature=share

Our upcoming Mowlem home learning project will reflect the content shared on the Internet Safety online assembly, so please join the link so that you can help your children at home with their exciting holiday project. Prizes will be awarded to projects that best reflect the learning from the online assembly.
