Mowlem Primary School Newsletter ~ 6th February 2014

Hockey Tournament at Canary Wharf.

On Wednesday 5th February, the Mowlem hockey team, made up of 10 children (4 from Class 4 & 6 from Class 5) took part in an exciting inter-school tournament in the 'Play On Sports' indoor arena at Canary Wharf .

The teams from the other schools they played were older children who had been learning to play hockey for a lot longer than Mowlem, so it was a big challenge.

Here are some reports of the tournament by members of the team:

"It was a pleasure to be on the team - everyone had wonderful skills:

- Thaifur - great attacker!
- Numan - fabulous passer!
- Jahida - wonderful at saving goals!
- Daiyan - brilliant attacker!
- Saima - super control of the ball!
- Imran - amazing passer!
- Jamil - excellent defender!
- Alia - incredible at passing!
- Chris - fantastic shooter!

And last but not least

- Tarique- great attacker!

Our teamwork is also one of the most important things - everyone is very supportive. Job well done guys!" **Alia (Class 5)**

"We took the D6 bus to Crossharbour and from there we walked for about 6 minutes to the arena.

We had 8 matches and we played very well, our coach Daniel was very proud of us!. We did our best which is why we did so well. I was sweating by the final match and needed to take my jumper off!

In the end 8 teams went through to the quarter final and my friend from another team told me that his school won last year.

That's all from me." **Chris (Class 4)**

"When I went to the tournament it felt like we were going to win, but when we actually got there I got a bit scared.

When you play any sports it is not just about the winning, it is about if you had fun and tried your best"

Tarique (Class 4)

Well done to everyone who took part!

Understanding your child's online world

'Staying safe on the Internet'

Technology is part of everyday life.

Text messages help you to stay in touch as your children become more independent and the internet is great for researching homework and staying in touch with friends.

Keeping up with technology and having enough information to guide your children and keep them safe can be a challenge.

- Are you worried about what your children are doing online?
- Do you have e-safety questions you would like to ask?
- Do you need help to make sure that you/your child stay safe online?

If you answered 'yes' to any of the above questions come along to an internet safety information session for parents/carers on:

Tuesday 11th February 2014

from 2:00 to 3:00 pm in the Annexe

Facilitated by Tower Hamlets Parent and Family Support Service

Dates for February 2014.

Tuesday 11th February - 'Safer Internet Day' workshop - more information above.

Saturday 15th and Sunday 16th February - Table-Tennis at Morpeth - see poster above.

Monday 17th to Friday 21st February - Half Term - School closed.

Parent conferences will be taking place after half term. This is when you will be given up-dates on your child's attainment and progress.
